

# real bianco

MADE IN EU design by KD

**IT** la famiglia zip è cresciuta: accanto all'intramontabile real bianco a 4 tasche, la nostra linea rivoluzionaria zip dispone di tre nuovi modelli. a seconda delle sue esigenze, potrà scegliere tra le nuove varianti a 2, 3 e a 6 tasche portacataloghi. le tasche sono in formato A4 e dispongono di un sistema anticaduta dei fogli. come tutti i nostri sistemi zip, anche i tre nuovi modelli sono pieghevoli, quindi di semplice apertura e chiusura. il pannello frontale resta vuoto, ma può essere personalizzato con l'acquisto delle nostre soluzioni linfor e pixquick.

**DE** zuwachs für die real-bianco-familie: neben dem real bianco mit 4 ablagen, gibt es nun drei weitere stilvolle varianten aus unserer revolutionären prospekt-ständerlinie zip. je nach bedarf, können sie zwischen der variante aus 2, 3 oder 6 A4 prospekttaschen mit einzelblattklippschutz wählen. wie bei all unseren zip-systemen, können auch die neuen modelle im handumdrehen aufgestellt und wieder kompakt zusammengefasst werden. entscheiden sie selbst, ob sie die frontfläche frei lassen, bekleben oder mit unseren lösungen linfor oder pixquick personalisieren wollen.

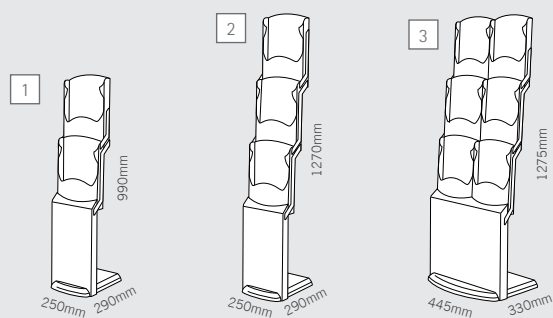

**EN** the zip family has added three new members: besides the version with 4 brochure pockets, the legendary zip line has extended to three new stylish variants. depending on your needs, you can choose between the version with 2, 3 or 6 A4 brochure pockets. just like all our zip systems, the three new models can be unfolded in no time at all and, after use, you can fold them together compactly. you decide whether to leave this area empty, to personalize it quick and simple by foiling something onto it or by using our practical solutions linfor or pixquick.
